The Aetrex mission is to create the healthiest shoes on the market today. All styles are crafted with care to meet the highest standards in design, incorporate cutting edge material technologies, and offer unmatched customization and adjustability. The net result is an extraordinary line of footwear designed to help you feel great on your feet and promote a healthy and active lifestyle.

**aetrex healthy three proudly features:**

- Aetrex orthotic footbeds for support, balance and alignment
- Memory foam cushioning for customization and comfort
- Anti-microbial technology to keep your feet healthy and clean
the healthiest shoes you’ll ever wear®

Copper is the only natural element that plays a vital role in collagen formation, a connective tissue in the skin.

Only copper socks rejuvenate the skin and improve texture and appearance.

Hand-linked flat toe seams provide extra comfort and helps protect those with diabetes.

Advanced Moisture-Guard™ wicking system, keeps the foot healthy, cool and dry.
