Copper is the only natural element that plays a vital role in collagen formation, a connective tissue in the skin.

Only copper socks rejuvenate the skin and improve texture and appearance.

Hand-linked flat toe seams provide extra comfort and helps protect those with diabetes.

Advanced Moisture-Guard™ wicking system, keeps the foot healthy, cool and dry.

Aetrex Socks with Copper Sole™ Technology are unsurpassed in comfort, performance, and protection. Copper Sole™ Technology has been lab tested and clinically proven to help prevent bacteria, fungi, and odor, as well as improve skin texture and appearance. Copper ions, embedded in the yarn and guaranteed to last for the life of the sock, provide superior protection and help eliminate 99.9% of bacteria, fungi and odors in the sock.
